

Journal of Mineralogical and Petrological Sciences

Published by Japan Association of Mineralogical Sciences

December 2016

Volume 111, Number 6

371 Editorial

ORIGINAL ARTICLES

- 373** Internal textures and U–Pb geochronology of zircons in metamorphic rocks from the Southwestern Highland Complex, Sri Lanka. *D.N.S. WANNIARACHCHI, M. AKASAKA, Y. HAYASAKA, L.R.K. PERERA*
- 385** Cation ordering of {110} and {211} sectors in grandite garnet from Mali. *Y. NAKAMURA, T. KURIBAYASHI, T. NAGASE*
- 398** Thermal structure of the Kebara Formation and its proximal areas in the western Kii Peninsula, SW Japan: Application of the carbonaceous material Raman geothermometry. *K. YOSHIDA, N. AOYAGI, R. KATO, T. HIRAJIMA*
- 405** Evidence for partial melting of eclogite from the Moldanubian Zone of the Bohemian Massif, Czech Republic. *T. MIYAZAKI, D. NAKAMURA, A. TAMURA, M. SVOJTKA, S. ARAI, T. HIRAJIMA*

LETTERS

- 420** Pressure-volume-temperature equation of state of ϵ -FeOOH to 11 GPa and 700 K. *A. SUZUKI*
- 425** Hydrogen distribution in chondrodite: a first-principles calculation. *M. KANZAKI*

431 Index

Contents

Journal of Mineralogical and Petrological Sciences is the successor journal to both "Journal of Mineralogy, Petrology and Economic Geology" and "Mineralogical Journal".
